THE REGENERATING POWER OF NATURE

Nature is an inexhaustible source of inspiration for the most effective beauty rituals: those in harmony with the physiology of skin and hair.

From this philosophy comes **Shatush Like Nature**, a line that enhances **plant-based active** ingredients through advanced formulas rich in **phytonutrients**, **botanical oils**, and **officinal extracts**. A synergy of natural ingredients ensures visible results, with a **hydrating** and **protective action**, while fully respecting the balance of skin and hair.

DEEP HYDRATION, ABSOLUTE LIGHTNESS

Intense hydration is the foundation of a cosmetic ritual capable of preserving the beauty of hair, today exposed daily to stressors that deplete it.

The **balance of the hair fiber** and the skin ecosystem requires something more: the right amount of nourishment and effective defense against the aggression of external agents.

Thanks to the combination of **hydrating**, **energizing**, and **natural film-forming plant-based active** ingredients, Shatush Like Nature formulas offer a **gentle** yet effective **treatment**, suitable even for **fine hair**. The texture is light, fresh, and pleasantly scented.

CONSCIOUS WELL-BEING, SENSORIAL BEAUTY

Each **Shatush Like Nature** product is the result of a blend of **cosmetic research** and professional expertise.

Well-being isn't just a result, but an integral part of the experience: from the delicate fragrances to the soft textures, to the ease of use.

A ritual that rewards us with its **hydrating effectiveness** and the **daily pleasure** of personal care.

NATURAL INGREDIENTS: *ORIGIN AND BENEFITS*

Shatush Like Nature products are rich in **vitamins**, **polyphenols**, and **natural phytonutrients**, selected to nourish, hydrate, and strengthen hair and scalp day after day. The formulas are enriched with antioxidant-rich botanical oils and rapidly absorbed fatty acids, resulting in **silky hair** and a **healthy**, balanced **scalp**.

All active ingredients come from renewable resources, using **eco-sustainable** extraction processes.

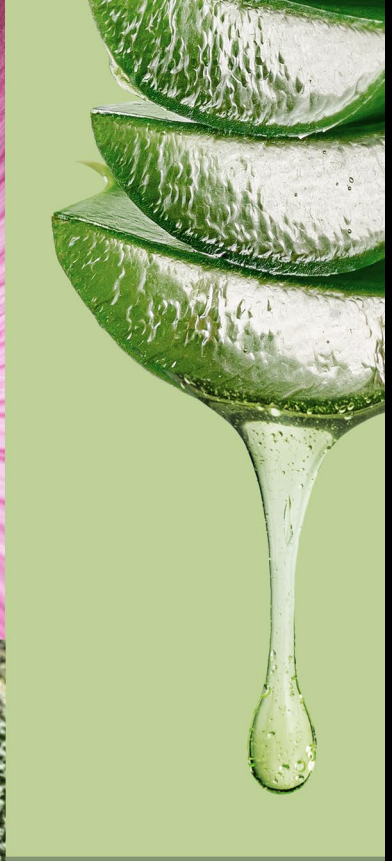

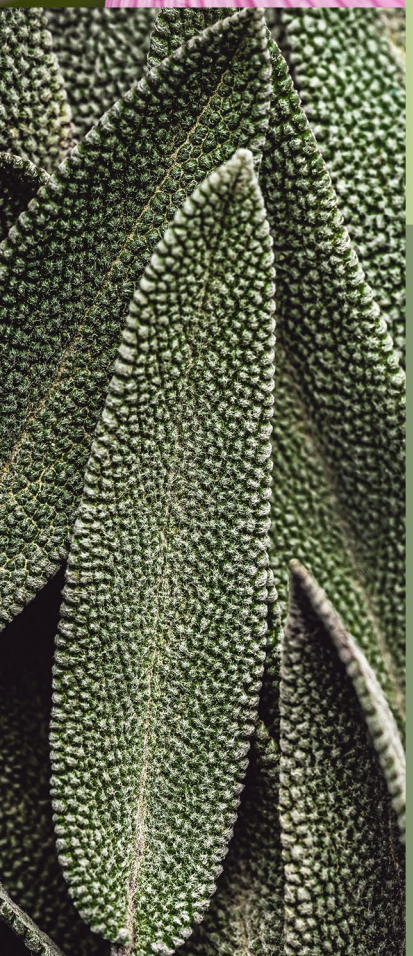

ANTIOXIDANT EFFICACY

MEDITERRANEAN CITRUS FRUITS

The vegetable active ingredients in plants and fruits are effective antioxidants, valuable for the body's well-being because they prevent premature aging caused by external agents. They are hydrating and rich in vitamins and flavonoids, also used in aromatherapy for physical and emotional well-being.
Mandarin peel extract, sweet Orange essential oil, Lemon peel extract, Peach extract - all grown in Italy - contribute a significant amount of vitamins A, B, and C to renew hair's vitality and strength. They are naturally rich in plant-based sugars.

SOOTHING AND PURIFYING EFFICACY

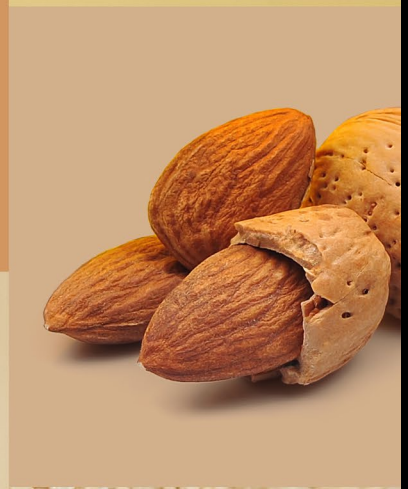

ALOE BARBADENSIS JUICE cold-pressed from the fleshy leaves, it has soothing, hydrating, and purifying properties. It provides a pleasant sensation of freshness and vitality.

MALLOW & SAGE

Native officinal plants, in addition to their unmistakable aroma and refreshing power, act as effective purifiers for the hair and scalp, helping to maintain optimal physiological and hygienic conditions. A feeling of cleanliness and lightness corresponds to a better ability to absorb hydration and nourishment.

NOURISHING AND ILLUMINATING EFFICACY

SUGAR CANE EXTRACT A powerful humectant, it locks in moisture and softens skin and hair. It strengthens the hair fiber from the root.

GRAPE SEED OIL & SWEET ALMOND OIL
The vegetable oils in Like Nature formulas are cold-pressed using natural processes and rendered impalpable. Their aesthetic and sensorial function -keeping hair soft and shiny - combines with their nourishing action.
They are rich in essential fatty acids, the most effective cell regenerators in counteracting the degenerative action of free radicals.
