SHATUSH HAIR FILTER

TOTAL DAILY DEFENCE FOR YOUR HAIR

HAIR FILTER

When applied to wet or dry hair, it protects from environmental damage (wind, ultraviolet rays, smog, chlorine and heat). Hair is kept well protected, hydrated and full-bodied. The Indian Chai Tea special blend protects the hair fibres with a natural strengthening film. The result is a natural look with no trace of greasiness. When used after styling, it gives shine to your hair and restructures it.

WITH INDIAN CHAI TEA

Indian Chai Tea combines Black Tea, rich in sugars and valuable antioxidants, and Milk Proteins, which deeply hydrate and nourish scalp and hair. Together, they help to block the oxidation of cells exposed to UV rays and air pollution.
